

The HEILBRON Award

Sharing business skills. Benefitting community.

The San Diego Business Journal partnered with Rotary Club 33 of San Diego on the inaugural Heilbron Awards, presented at the Rotary luncheon on Thursday, June 23. More than 350 attendees celebrated San Diego companies that exemplify the pay-it-forward spirit – who give of themselves and their professional expertise to advance the well-being and success of others in the community. Special thanks go to Heilbron Awards sponsor, San Diego Gas & Electric.
